- 1 In a KIHONDOUSA (basic movement) match, the arranged distance between players is about 1.5m. ☐ ☐
- 2 The commander stands within 1.5m to 3m and from (the judging side) 1m in front of the white side . ☐ ☐
- 3 As in Kihondosa match, even if the participant re-acted differently from the instruction given by the commander, it is not possible for the commander to change it. ☐ ☐
- 4 When the Kihondosa match gives a tie, the referees will cross a red and white flag above the head. ☐ ☐
- 5 In general, the referee should keep in mind to give a fair judgment to players even if they are from the same country, same team or same club as the referee. ☐ ☐
- 6 In Kihondosa and Datotsu competitions, they are carried out separately according to their Dan and Kyu ☐ ☐
- 7 In Shodan, matches for male and female are separated according to age and sex. ☐ ☐
- 8 The Bo used in Datotsu games, basically, both hands should grip the handle and with one of the hand gripping it firmly else it is considered a violation of the rules. ☐ ☐
- 9 Basically in enforcing Yari, both hands should grip it firmly but in the case of Kuriken, it is accepted if a single hand is used in an instant moment. ☐ ☐
- 10 In Yari competition, Ashibarai is prohibited. ☐ ☐
- 11 In Datotsu, Second trial system is possible. If there is a doubt, query or dissatisfaction after the first judgment, the players could request for a re-judgment. In this case, the judge from the centre court, Kensayaku and the other judges will gather together and re-judge the entire situation again. ☐ ☐
- 12 In re-judgment, Kensayaku and the other judges will cast a vote. Majority votes will decide the verdict. ☐ ☐
- 13 International referee could act as a chief referee in all kinds of matches. ☐ ☐
- 14 In official games of Choken-Ryote, Tanto, Choso, Tanto, Bo and Jo, 1Kyu referee is needed. If other than 1Kyu referee is acted as an umpire, it will be disqualified. ☐ ☐
